**MANAGEMENT DISCUSSION AND ANALYSIS****1. INDUSTRY STRUCTURE AND DEVELOPMENTS:**

The global textile industry has been facing exceptionally challenging conditions since the past two years due to the restrictions imposed because of the Covid-19 pandemic. Further, the global supply chain had seen unprecedented levels of pressure and disruption due to logistical impasse. This led to delayed delivery resulting into reduced product shelf life and increased inventory at importer / retailer level which resulted in reduction in export orders / delayed picking of confirmed orders, apart from sharp increase in vessel shipping cost. Further, prodigious liquidity globally led to a proliferation in commodity prices including Cotton, Dyes, Chemicals, Coal, etc.

On a positive note, from the beginning of Q2 of FY 2021-22 post relaxation in Covid-19 induced restrictions, domestic market is showing an uptake in demand.

Indian Textile Industry can be divided into several segments, some of which can be listed as below

- Cotton Textiles
- Silk Textiles
- Woolen Textiles
- Readymade Garments
- Hand-crafted Textiles
- Jute and Coir

**2. OPPORTUNITIES AND THREATS:**

Accelerated reopening of activities have re-opened opportunities for the textile market which were quiet for a long time. Further, China plus one policy by USA and Europe will lead to increase in demand for the Indian Market. With an added advantage of high-quality standards and globally renowned accreditations, our Company will be forging ahead with its sustainability vision to build potential so as to grab opportunities coming its way.

Currently the biggest threat is the enormous increase in cotton prices leading to high finished good prices. Consumers are therefore shifting their focus from cotton to man-made fibres. Further, increase in prices of other commodities such as coal, dyes and chemicals is also making the industry non-competitive.

**Opportunities**

Replacement of the MFA and full integration of textile industry has resulted in huge opportunities for export.

Increase in consumption pattern across the country along with the rising demand for high quality premium fabrics.

Large and potential domestic and international market.

Promising Export Potential.

**Threats**

Pricing pressure due to opening up of quotas.

Enhanced competition from other countries.

Rising production cost from increasing wages, power and interest cost.

**3. SEGMENT -WISE /PRODUCT -WISE:**

The company doesn't have any other segment or products and it is mainly involved in trading of textiles and garments.

**4. RISKS AND CONCERNS:**

Risk is an inherent part of any business. There are various types of risks, that threat the existence of a company like Strategic Risk, Business Risk, Finance Risk, Environment Risk, Personnel Risk, Operational Risk, Reputation Risk, Regulatory Risk, Technology Risk, Political Risk, etc. Your company aims at enhancing and maximizing shareholders value by achieving appropriate trade-off between risk & returns.

**5. INDUSTRY OUTLOOK:**

Though the company has achieved higher amount of net profit when compared to the last financial year. The board of directors of the company feels that textile sector is fast growing in India, hence due to increasing scope and demand for exports in India, the company at the same parallel will put all the efforts to improve the quality and productive to get more order at competitive rates and try to maintain high quality and productivity in the manufactured goods. Barring unforeseen circumstances the company is confident of achieving better results in the current year.

**6. INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY:**

The Company has proper and adequate systems of internal controls in order to ensure that all assets are safeguarded against loss from unauthorized use or disposition and that all transactions are authorized recorded and reported correctly.

The Board of Directors has been entrusted with the responsibility of reviewing the findings and to investigate and take necessary actions wherever required.

**7. DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE:**

During the financial year under review the difficulties which were faced in the last year is not effected much in the financial position of the company and the Company is able to achieve high turnover as compared to last financial year and due to high turnover and high expenditure the Company has recorded reasonable profits in the current financial year.

The Company is hopeful that this fiscal the Company will achieve good turnover as the economy will witness upward trend and good business despite of huge competition in wholesale prices and doing trading with fewer margins to sustain in the market.

**8. HUMAN RESOURCES/ INDUSTRIAL RELATIONS:**

The Company firmly believes that motivated and empowered employees are the cornerstone of competitive advantage. The Company's employee value proposition is based on a strong focus on employee development, providing a satisfying work environment, performance appraisal and counseling and appropriate empowerment.

The Company continues to maintain and enjoy a cordial relationship with its employees, providing positive environment to improve efficiency with regular investments in upgrading the knowledge and skills of the employees.

**INDEPENDENT AUDITOR'S REPORT**

To  
The Members,  
Peeti Securities Limited

**Report on the Audit of the Financial Statements:****Opinion**

We have audited the accompanying financial statements of Peeti Securities Limited ("the Company"), which comprise the Balance Sheet as at 31<sup>st</sup> March, 2022, the Statement of Profit and Loss (Including other comprehensive income), the Statement of Changes in Equity, and the Statement Cash Flow for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "Financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

**Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. We have determined that there are no Key audit matters to communicate in our report.

**Information Other than the Financial Statements and Auditor's Report Thereon**

The Company's Board of Directors is responsible for the preparation of other information. The other information comprises the Management Discussion and Analysis and Board's Report including Annexures to Board's Report but does not include the financial statements and our auditor's report thereon. The Board's Report including Annexures to Board's Report is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial

statements, or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

When we read the Board's Report including Annexures to Board's Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

### **Management's Responsibility for the Financial Statements**

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in Equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act, read with relevant rules issued there under. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- 1 Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- 1 Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- 1 Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- 1 Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or

conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- I Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### **Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of section 143(11) of the Act, we give in the Annexure -A a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143 (3) of the Act, we report that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - (c) The Balance Sheet, the Statement of Profit and Loss including other comprehensive income, the statement of changes in Equity and the statement of Cash flows and dealt with by this Report are in agreement with the relevant books of account.
  - (d) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, relevant rules issued there under.
  - (e) On the basis of the written representations received from the directors as on 31st March, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2022 from being appointed as a director in terms of Section 164 (2) of the Act.

- (f) with respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B"; and
- (g) With respect to the other matters to be included in the Auditor's report in accordance with the requirements of section 197(16) of the act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the company to its directors during the year is accordance with the provisions of section 197 of the act

- i. The Company does not have any pending litigations which would impact its financial position;
- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
- iv. (a) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

**“Annexure B” to the Independent Auditor’s Report:****Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of Peeti Securities Limited (“the Company”) as of 31<sup>st</sup> March 2022 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

**Management’s Responsibility for Internal Financial Controls**

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditors’ Responsibility**

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

**Meaning of Internal Financial Controls over Financial Reporting**

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide rea-

sonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**NOTE. 1: STATEMENT ON ACCOUNTING POLICIES AND OTHER DISCLOSURES****1. Corporate Information:**

The Company is a Public Company domiciled in India and incorporated under the Provision of Companies Act, 1956. Its Equity Shares are Listed on BSE. The Company is engaged in Trading of Textile [mainly used as Furnishing Fabrics].

**2. Basis of preparation:****A. Statement of compliance:**

These financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 notified under Section 133 of Companies Act, 2013, (the 'Act') and other relevant provisions of the Act.

The Company's financial statements up to and for the year ended 31 March 2022 were prepared in accordance with the Companies (Accounting Standards) Rules, 2006, notified under Section 133 of the Act and other relevant provisions of the Act.

The financial statements were authorized for issue by the Company's Board of Directors on 30.05.2022

Details of the Company's Accounting policies are included in Note 3.

**B. Functional and presentation currency**

These financial statements are presented in Indian Rupees (INR), which is also the Company's functional currency. All amounts have been rounded-off to the nearest lakh, unless otherwise indicated.

**C. Basis of Measurement**

The financial statements have been prepared on the historical cost basis except for the following items:

Items	Amount
<b>Certain financial assets and liabilities</b>	Fair value
Net defined benefit (asset) / liability	Present value of defined benefit obligations

**D. Measurement of fair values**

A number of the Company's accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities.

Fair values are categorized into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows.

**Level 1:** quoted prices (unadjusted) in active markets for identical assets or liabilities.

**Level 2:** inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

**Level 3:** inputs for the asset or liability that are not based on observable market data (unobservable inputs).

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorized in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

The Company recognizes transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

### 3. Significant accounting policies

#### a. Financial instruments

##### Non-derivative financial instruments

All financial instruments are recognized initially at fair value. Transaction costs that are attributable to the acquisition of the financial asset (other than financial assets recorded at fair value through profit or loss) are included in the fair value of the financial assets. Purchase or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trade) are recognized on trade date. While, loans and borrowings and payable are recognized net of directly attributable transactions costs.

For the purpose of subsequent measurement, financial instruments of the Company are classified in the following categories: non-derivative financial assets at amortized cost; non derivative financial liabilities at amortized cost.

The classification of financial instruments depends on the objective of the business model for which it is held. Management determines the classification of its financial instruments at initial recognition

##### Non- derivative financial assets

Financial assets are initially measured at fair value plus transaction costs and subsequently carried at amortized cost using the effective interest method, less any impairment loss.

The company's financial assets includes cash and cash equivalents, employee and other advances, trade receivables and eligible current and non-current assets.

##### Non-derivative financial liabilities

Financial liabilities at amortized cost are initially recognized at fair value, and subsequently carried at amortized cost using the effective interest method.

The company has the following financial liabilities: loans and borrowings, trade and other payables including deposits collected from various parties.

##### Offsetting

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

#### b. Property, plant and equipment

##### i. Recognition and measurement

Items of property, plant and equipment are measured at cost, which includes capitalised borrowing costs, less accumulated depreciation and accumulated impairment losses, if any

Cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located.

The cost of a self-constructed item of property, plant and equipment comprises the cost of materials and direct labour, any other costs directly attributable to bringing the item to working condition for its

intended use, and estimated costs of dismantling and removing the item and restoring the site on which it is located.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

Any gain or loss on disposal of an item of property, plant and equipment is recognised in profit or loss.

On transition to Ind AS, the Company has elected to continue with the carrying value of all of its property, plant and equipment recognised as at 1 April 2016, measured as per the previous GAAP, and use that carrying value as the deemed cost of such property, plant and equipment

#### ii. Subsequent expenditure

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.

#### iii. Depreciation

The estimated useful lives of items of property, plant and equipment for the current and comparative periods are as follows:

Asset	Management estimate of useful life (In years)	Useful life as per Schedule II (In years)
Office equipment	5	5
Computer	3	3
Furniture	10	10
Vehicles	8	8
Plant & Machinery	15	15

Depreciation method, useful lives and residual values are reviewed at each financial year-end and adjusted if appropriate. Based on technical evaluation and consequent advice, the management believes that its estimates of useful lives as given above best represent the period over which management expects to use these assets.

Depreciation on additions (disposals) is provided on a pro-rata basis i.e. from (upto) the date on which asset is ready for use (disposed of).

#### c. Inventories

Inventories are measured at the lower of cost and net realisable value. The cost of inventories is based on the first-in first-out formula, and includes expenditure incurred in acquiring the inventories, production or conversion costs and other costs incurred in bringing them to their present location and condition.

Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and selling expenses.

#### d. Investments:

Investments are valued at cost less provision for permanent diminution in value of such investments. Investments are carried at lower of cost and fair value.

**e. Revenue recognition**

- i. Revenue is recognized on sale of grey cloth and finished cloth on dispatch of goods from the factory. Sales are recorded net of rebate, trade discounts and returns
- ii. Dividend is accounted on an accrual basis when the right to receive the dividend is established.
- iii. Interest income on loans & advances is recognized in the profit & loss account as it accrues.

**f. Employee benefits****i. Short-term employee benefits**

Short-term employee benefit obligations are measured on an undiscounted basis and are expensed as the related service is provided. A liability is recognised for the amount expected to be paid e.g., under short-term cash bonus, if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee, and the amount of obligation can be estimated reliably.

**ii. Defined benefit plans**

A defined benefit plan is a post-employment benefit plan other than a defined contribution plan. The Company's net obligation in respect of defined benefit plans is calculated separately for each plan by estimating the amount of future benefit that employees have earned in the current and prior periods and discounting that amount.

The calculation of defined benefit obligation is performed annually by a qualified actuary using the projected unit credit method. When the calculation results in a potential asset for the Company, the recognised asset is limited to the present value of economic benefits available in the form of any future refunds from the plan or reductions in future contributions to the plan ('the asset ceiling'). In order to calculate the present value of economic benefits, consideration is given to any minimum funding requirements.

Remeasurements of the net defined benefit liability, which comprise actuarial gains and losses, the return on plan assets (excluding interest) and the effect of the asset ceiling (if any, excluding interest), are recognised in OCI. The Company determines the net interest expense (income) on the net defined benefit liability (asset) for the period by applying the discount rate used to measure the defined benefit obligation at the beginning of the annual period to the then-net defined benefit liability (asset), taking into account any changes in the net defined benefit liability (asset) during the period as a result of contributions and benefit payments. Net interest expense and other expenses related to defined benefit plans are recognised in profit or loss.

When the benefits of a plan are changed or when a plan is curtailed, the resulting change in benefit that relates to past service ('past service cost' or 'past service gain') or the gain or loss on curtailment is recognised immediately in profit or loss. The Company recognises gains and losses on the settlement of a defined benefit plan when the settlement occurs.

**g. Income tax**

Income tax comprises of current and deferred tax. It is recognized in profit or loss except to the extent that it relates to an item recognized directly in equity or in other comprehensive income.

**i. Current tax**

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related to income taxes. It is measured using tax rates

(and tax laws) enacted or substantively enacted by the reporting date.

Current tax assets and current tax liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

**ii. Deferred tax**

Deferred tax is recognized in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes. Deferred tax is also recognized in respect of carried forward tax losses and tax credits.

Deferred tax assets are recognized to the extent that it is probable that future taxable profits will be available against which they can be used. The existence of unused tax losses is strong evidence that future taxable profit may not be available. Therefore, in case of a history of recent losses, the Company recognizes a deferred tax asset only to the extent that it has sufficient taxable temporary differences or there is convincing other evidence that sufficient taxable profit will be available against which such deferred tax asset can be realised. Deferred tax assets - unrecognised or recognized, are reviewed at each reporting date and are recognised/ reduced to the extent that it is probable/ no longer probable respectively that the related tax benefit will be realised.

Deferred tax is measured at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled, based on the laws that have been enacted or substantively enacted by the reporting date.

The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority on the same taxable entity, or on different tax entities, but they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities will be realised simultaneously.

**iii. Minimum Alternate Tax (MAT)**

Minimum Alternative Tax ("MAT") under the provisions of the Income-tax Act, 1961 is recognised as current tax in the statement of profit and loss. The credit available under the Act in respect of MAT paid is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the period for which the MAT credit can be carried forward for set-off against the normal tax liability. MAT credit recognised as an asset is reviewed at each balance sheet date and written down to the extent the aforesaid convincing evidence no longer exists.

**h. Segment reporting**

The Board of Directors assess the financial performance of the Company and make strategic decisions. The Company has only one reportable segment i.e. Trading in Textile

**i. Earnings per share**

The basic earnings per share ("EPS") for the year is computed by dividing the net profit/ (loss) after tax for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. The Company has no potentially dilutive equity shares.

**(b) Rights, preferences and restrictions attached to equity shares**

The Company has a single class of equity shares having par value of Rs 10 per share. Accordingly, all equity shares rank equally with regard to dividend and share in the Company's residual assets after distribution of all preferential amounts, if any. The equity shareholders are entitled to receive dividend as declared from time to time. The voting rights of an equity shareholder are in proportion to its share of the paid-up equity capital of the Company. Voting rights cannot be exercised in respect of shares on which any call or other sums presently payable have not been paid.

On winding up of the Company, the holders of equity shares will be entitled to receive the residual assets of the Company, remaining after distribution of all preferential amounts in proportion to the number of equity shares held.

**NOTES TO THE FINANCIAL STATEMENTS**  
**For the year ended 31 March 2022**

**32. Financial instruments - Fair values and risk management****B. Financial risk management**

The Company has exposure to the following risks arising from financial instruments:

- a) credit risk
- b) liquidity risk
- c) market risk

**Risk management framework**

The Company's board of directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities. The Company, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations.

The Company's Board oversees how management monitors compliance with the Company's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Company. The Board is assisted in its oversight role by internal audit. Internal audit undertakes both regular and ad hoc reviews of risk management controls and procedures, the results of which are reported to the audit committee.

**a) Credit risk**

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers; loans and investments in debt securities.

The carrying amounts of financial assets represent the maximum credit risk exposure.

**Trade receivables and loans**

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. However, management also considers the factors that may influence the credit risk of its customer base, including the default risk associated with the industry in which customers operate.

**Cash and cash equivalents**

The Company holds cash and cash equivalents of INR 216.48 Lakhs at 31 March 2022 (31 March 2021: INR 250.51 Lakhs). The credit risk on liquid funds is limited because the counterparties are banks with high credit ratings assigned by international credit rating agencies.

**b) Liquidity risk**

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation. The Company uses activity-based costing to cost its products and services, which assists it in monitoring cash flow requirements and optimising its cash return on investments.

The Company aims to maintain the level of its cash and cash equivalents at an amount in excess of expected cash outflows on financial liabilities (other than trade payables) over the next six months. The Company also monitors the level of expected cash inflows on trade receivables and loans together with expected cash outflows on trade payables and other financial liabilities.

#### Exposure to liquidity risk

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted, and include contractual interest payments and exclude the impact of netting agreements.

**31 March 2022**

The interest payments on variable interest rate loans in the table above reflect market forward interest rates at the reporting date and these amounts may change as market interest rates change.

Except for these financial liabilities, it is not expected that cash flows included in the maturity analysis could occur significantly earlier, or at significantly different amounts.

**c) Market risk**

Market Market risk is the risk that changes in market prices – such as foreign exchange rates, interest rates and equity prices – will affect the Company's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return.

**Interest rate risk**

The Company adopts a policy of ensuring that between 80 and 90% of its interest rate risk exposure is at a fixed rate. This is achieved partly by entering into fixed-rate instruments and partly by borrowing at a floating rate instruments.

**Exposure to interest rate risk**

The interest rate profile of the Company's interest-bearing financial instruments as reported to management is as follows:

	(Rs in Lakhs)	
	31 March 2022	31 March 2021
<b>Fixed rate instruments</b>		
Financial assets	42.70	40.55
Financial liabilities	-	-
	<b>42.70</b>	<b>40.55</b>

*Fair value sensitivity analysis for fixed-rate instruments*

A reasonably possible increase/decrease of 100 basis points in interest rates at the reporting date would not have any significant impact. This analysis assumes that all other variables remains constant.

### INTRUCTIONS TO SHAREHOLDERS FOR E-VOTING

- (i) The voting period begins on Tuesday, 27<sup>th</sup> September 2022 at 9:00 AM and ends on Thursday, 29<sup>th</sup> September, 2022 at 5:00 PM. During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date Friday 23<sup>rd</sup> September 2022 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242** dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (iv) In terms of **SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020** on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to abovesaid SEBI Circular, Login method for e-Voting and joining virtual meetings for **Individual shareholders holding securities in Demat mode CDSL/NSDL** is given below:
